DEVON & BILLY

Pocket Pool

One way to get an independent-minded girl like Devon to loosen up, says sex expert and porn stud Billy Glide, is to invite her over to his place for a few games of pool—and then let her win. If he has to first show her how to shoot pool, that's even better, because then he gets to rub up against her as he demonstrates the proper way to hold the cue stick and put "spin," or "English," on the cue ball. But it's not really English he wants to teach, but rather French (as in Frenching her asshole with his tongue).

Hey, whatever happened to that game of eight-ball they were playing five minutes ago? Oh well, at least they're still putting the pool table to good use. Rather than demonstrating his superb bank shot, Billy goes straight for Devon's corner pocket. As for Devon, well, she seems to be more interested in Billy's personal "tool stick" than in his pool stick. It may not be very good for sinking balls, but it's got two balls attached that sink naturally into Devon's mouth. No doubt about it, Billy knows how to run the table.

Tommi, Maya & Larry

& TOMMI MAKES 3

Last Month Maya Thought She Had Larry's Big Cock All To Herself!

In her desire to fuck the neighbor that she and her roommate Tommi had been lusting after, Maya sneaked over in our last issue and seduced, sucked and fucked him without Tommi knowing about it—or so she thought!

It turns out that Tommi knew her conniving roommate all too well.

She knew that Maya wanted Larry and his big cock all to herself.

But Tommi didn't call herself "the hottest slut in the neighborhood" for nothing. She wasn't going to just stand by and let Maya have all the fun or all the victory of nailing Larry first.

And as for Larry, well,

he decided not to complain about the two gorgeous chicks fighting over who was going to suck his cock, rim his ass, lick his balls, and then fuck him silly. He knew better than to intrude between them. It was better to just lie back and let the girls have their way with him!

As soon as Maya realized that she was going to have to share Larry with Tommi, she figured, *What the hell, we can both have fun.*

There was more than enough to go around.

Besides, she had been looking for an excuse to taste

Tommi's pussy without

Tommi thinking there was something weird about her, and maybe

in the heat of all the passion, maybe she

could even get Tommi to suck her clit. It was

a win-win all around!

Jewel,

Queen Of De Nile

Womb raiders Iowa Jones and Indiana Johnson discover the true source of the Nile when they explore the Valleys of the Queen!

Here at VELVET we sometimes make dreams come true.

Not just readers' fantasies, but the dreams of porno chicks, too. That's why, when superstar Jewel De'Nyle mentioned to us that she'd love to play her idol, Cleopatra, Queen of the Nile, in a movie, we told her we'd do the next best thing: Feature her in an elaborate

Egyptian photo fantasy, complete with two sturdy adventurers we call Iowa Jones & Indiana Johnson!

Jewel suggested that we star her with at least four guys—including two black Nubian slaves—but we reminded her that we were on a budget. Also, two extra guys might get in the way of the camera. We figured two cocks would do her just fine, especially if we hired two veteran studs who didn't mind banging nut sacs together as they fucked her pussy and ass simultaneously. As it turned out, Jewel agreed that it was a good idea; she couldn't scream during her DP with a cock in her mouth.

Queen Cleopatra was noted for her excesses, so maybe she indulged herself by having the most rugged, well-hung Egyptians in her kingdom come regularly to her Memphis palace to fuck her in every orifice. We'll probably never know. But as far as Jewel De'Nyle is concerned, that's the way history happened—and who's going to say otherwise? Certainly not us, because if Jewel demands getting DP'd for the sake of accuracy, we're behind her 100%.

'I Left My Hard

A warm mist hung heavy in the air. My nose twitched like a curious rabbit's what it to, as I inhaled the unique aroma of starch, strawberry, and sweat. I looked down and watched the final rounds from prodigious orgasm ooze from my rapidly wilting pink popgun.

I had just "cum for the camera" for the third time in less than three hours. I should have been exhausted, but I was having way too much fun to realize that I was supposed to be tired.

Allow me to set the stage for you. It was October 2, 1972, and I was in the middle of what was one very happy way to be celebrating my 29th birthday. In point of fact, I was the principal photographic participant in what would become a book about what it took to "get it, get it in, get it out, and get it off!" Its title, even before I had even one chance to live (or lust) up to it was going to be "Sexual Stamina: The Secret of the Male Sex Star."

I had bullshitted myself into the situation, saying that I was experienced, when in fact I wasn't; that I was a writer, when in fact, who isn't? and that I was a "sex machine," which of course, I had never been. (Although there was the time that I came 17 times in 36 hours (or was that 36 times in 17 hours) with a sexual hellion named Cee Cee, but that's another story).

Faithful readers (and kneaders) of this column will recall that just the day before (Oct. 1, 1972), I had performed in my very first hardcore sex scene in "Love Sandwich."

Arriving at the meeting place, I was surprised to see the cuddly Sue Kay (from my "Love Sandwich" adventure the day before) there. She squealed a warm welcome and hopped into my arms. Then she introduced me to another of the ladies that I would be working with that day—a sharp-featured redhead named Dalana. We were driven to the Burbank airport, and got on a plane to San Francisco. The girls, perhaps thinking that I'd get cold feet (or whatever), made sure that I sat between them, and they kept me distracted by alternately crossing their mini-skirted legs, while I, in my best journalistic mode, tried to question them as to their reasons for being in the business. But it was very hard to concentrate because Dalana had apparently forgotten to put her panties on that morning.

At San Francisco International, we were met by a friendly photographer, who drove us to his apartment, which was to be our shooting location for the day. On the way, we stopped to pick up a big-breasted black haired actress named Bonnie, who would be working on the set with Dalana and me. Bonnie greeted me with a French kiss that lasted so long I felt like she was inspecting my teeth for their precious metal value.

We got to the photographer's place at just about the time that Bonnie let me come up for air. I was introduced to the performer with whom I was going to work with in the first set. She was an ebony entity named Faye. And considering circumstances that would occur in 1985, it's truly paradoxical that the first vagina that I'd enter (my scene with Sue Kay the day before had only been a blowjob) would be of the dark persuasion. The 1985 affair involved my famous response, when the ravishing Sahara refused to work with me because I was obnoxious, to which I immediately snapped: "Well, I can always outgrow being obnoxious, but can never outgrow being black." It should also be noted that with my great writing partner Mark Weiss, under the collaborative script pen name of Lem Elijah, we created "Hot Chocolate" the first all-black adult video in 1983, and that Sahara herself appears in our 1985 sequel, "Hotter Chocolate."

But at this moment in 1972, it was time to function. It was time to prove that I was man enough to be an X-rated performer. I felt like a

gunslinger about to be called out at high noon. However, instead of a dusty street with a potentially faster gun at the other end of it, my stage was a pair of fudge-colored legs with a dark, densely matted sexual center winking back at me, daring me to take the challenge. And I did. And the photographer began firing away. Still shoots, unlike film or video productions are a much more mechanical procedure. Therefore, Faye and I had to freeze in a number of positions, so that the photographer could cover the goodies. Having never done sex stills before, I let Faye lead the way. She was a great tour guide. She shoved my head down to her snatch, and I ate her for the entire world to see. Then she repaid the "slavor" (salivating favor), by going down on me. Finally, when she had drawn enough heat into my meat to justify penetration, we began to fuck. Assorted positions ensued, until it was time for my cum shot. And realizing that I would be expected to cum again with Dalana and Bonnie, and then again with Sue Kay, I didn't try and fight off the desire to spurt. After all this was business, not pleasure! So when the photographer said that he was ready for the money shot, I unloaded what looked like a searing marshmallow fountain onto a writhing pair of Hershey Kiss mountains. Faye wiggled around like a Manta Ray being blow-torched. I fell back, but wasn't able to bask in the glow for very long, as across the room were the smiling presences of Dalana and Bonnie, both of whom were adorned in nothing-left-to-the-imagination baby dolls for the set to cum, which as I was to discover, would be more than once. Which brings us back to where this column began.

After I showered, and was provided with a towel as wardrobe, the photographer felt that I needed some time to recharge my batteries, so he encouraged me to watch Dalana and Bonnie go through the motions and moans of a lesbian encounter. Of course, his intention was to have their actions turn me on, so that I could join them. It didn't take very long. Noticing that my towel was talking on a tent-like shape, the girls called me over, and because I had absolutely no idea of what to do, took over. Reaching up, they removed my towel in tandem. My intention, hanging long and about as hard as I can get, it's a big, heavy piece of meat, and I have huge balls which prevent it from being mistaken for a pull-up bar, spoke the language that their hot eyes needed to read. Dalana immediately inhaled as much of me as she could, while Bonnie slide between my legs, did some sort of free exercise gymnastic move, and before I could concentrate on having my dick sucked, my balls were being boiled in the big-breasted bombshell's mouth. And while Dalana's hands were busy playing with my pulsating pole, Bonnie's hands quickly found the extremely tense area behind my bloating sack worthy of considerable attention. The photographer clicked away merrily, while I swayed like a redwood in a hurricane. I wasn't sure how long

her thick black forest violated only by a narrow strip of juicy pink flesh, descending upon me. And then I was nose deep in a strawberry-and sweat scented wanton-land. I inspected the premises with my tongue, and was immediately greeted with a flow of warm liquid. It was yummy! I was so consumed with the carnal course in front of me that I had forgotten about Dalana. But Dalana had not forgotten about me. Licking up the drooling remnants of my recent orgasm, Dalana proceeded to work me up to a length that was photographable, and then she straddled my meat. Now I was truly a man divided by lust. Eventually reversing positions so that all holes were poled and all poles were holed—the lascivious ladies had their way with me until I was ready to pop again. And as Bonnie brought me off against her silken belly, while Dalana deftly encouraged my balls to hold nothing back, I enjoyed a cum shot that curled my toes, and made my head feel like there was a bee trapped inside of it.

And there was more to cum. Although aware of the fact that Sue Kay was waiting in the wings, Bonnie and Dalana were apparently amused that my bat and balls were still holding their own, so they set about seeing if they could pull off a triple play. And it didn't take very long for my tools of the trade to get in the game. And eventually I knocked out my third gooey hit with them, and if you are counting, my fourth of the day.

"I'm next," yelled Sue Kay. And with her, I came for a fifth time in less than seven hours. Although, certainly not unhappy with my performance, the photographer was finally moved to ask me why I kept on getting off. And all I could say was, "Because nobody said that I shouldn't." Besides, it was my birthday!

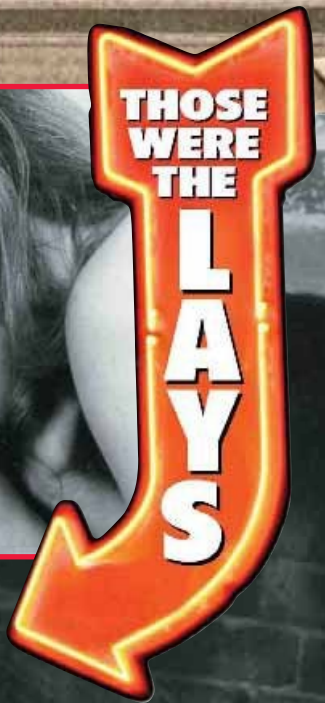

Indeed, Those Were The Lays!

William Margold's actions and activities have spanned the entire timeline of the modern adult hardcore entertainment industry (1972-present), and along the way, he has founded a number of organizations including The Fans of X-Rated Entertainment (www.foxer.com) and Protecting Adult Welfare (www.pawfoundation.org). how I was supposed to last, but as persistent as Dalana and Bonnie were, I figured that I would just let nature take its course. Bonnie was the first to sense that I was near. She moaned out a signal to the photographer. Dalana began to suck furiously. Bonnie reached between my straining thighs, and began to pump my dick even faster into Dalana's mouth with one hand, while she knowledgeably massaged my nuts with the other. Dalana released me from her mouth, and grinned. Instantly she was greeted with a sticky white blast right between her eyes. I was tempted to laugh at the sight, but my ejaculation felt so damn good, that all I could was groan as Bonnie coaxed three more healthy rounds out of me. Dalana quickly recovered from the first burst, and greedily lapped up the rest of my load.

My knees began to buckle. Bonnie pulled me gently down, so that my face fell between her heavy thighs. I looked up and saw

CARNAL CAMERA

Our roving photographer gets some of the weirdest freelance jobs. Not long ago a masseuse/sex therapist hired him to shoot some professional-looking pictures of her in action for an ad in a Las Vegas sex-oriented tabloid. Since she's licensed as both a sex therapist and a Shiatsu massage therapist, she can legally claim that she teaches relaxation techniques to get her patients (yes, she can call them patients) past whatever it is that's inhibiting them emotionally and physically. Some of those techniques include intimate touching and desensitizing exercises. For the photo session, she asked our photographer to hire an athletic, handsome, and wholesome-looking man. She wanted it to look strictly legit.

Our photographer thought he was setting up a professional advertising photo session for a licensed masseuse/sex therapist. Little did he know!

The photo session began decorously. The therapist is a professional, and so is the male model. They have both learned in their trades to keep their own feelings separate from the job at hand. But then something happened. As she attempted to only *look* as if she were giving him a deep-tissue massage, her fingers pushed into his flesh. It suddenly got very personal.

It was as if her fingers had a mind of their own. She was concentrating on how she looked for the camera; subconsciously, she was totally turned on!
